Position Announcement

Assistant Professor and Extension Specialist
Department of Wildlife and Fisheries Sciences
Texas A&M AgriLife Extension Service

Position Description: The Department of Wildlife and Fisheries Sciences seeks an Assistant Professor and Extension Wildlife Specialist (non-tenure track) to fill a 100% Extension appointment with Texas A&M AgriLife Extension Service. The area served includes portions of the Edwards Plateau and South Texas Plains ecological regions with the candidate housed at the Texas A&M AgriLife Research & Extension Center, in Uvalde, Texas.

Duties and Responsibilities: The successful applicant will be responsible for development and delivery of Extension programming in wildlife management. Duties include (1) providing support to County Extension Agents and the development of County-level programming; (2) development of innovative Extension education materials directed at enhancing wildlife resources in Texas – programs of focus will include native game and non-game species of economic importance, and wildlife-livestock interactions; (3) collaborating with a network of wildlife biologists and other natural resource managers and scientists within state and federal agencies and non-governmental conservation groups; (4) contribute to expansion of youth conservation education programs; (5) development of external funding sources for supporting Extension and applied research activities in faculty member’s area of expertise; and (6) Provide general support to the land grant mission of the Texas A&M University System 7) design and conduct applied research projects as necessary to address wildlife management issues.

Administrative Relationships: The Extension Wildlife Specialist will report administratively to Texas A&M AgriLife Extension Service and will respond to Extension Administration through the Department Head and Associate Department Head for Extension in the Department of Wildlife and Fisheries Sciences.

Qualifications: Completed Ph.D. in Wildlife Science or closely related discipline; record of experience with educational outreach programs preferred.

Salary: Commensurate with experience and education.

Application Process: Must post application, curriculum vitae, transcripts, 3 letters of recommendation, and supporting materials by September 21, 2015 via Great Jobs at:
